

## Metronome Partners Represents Burke America

April 2015 – Metronome Partners, LLC (Metronome) served as exclusive financial advisor to Burke America and one of its subsidiary holding companies, Burke America Parts Group (the Company), in securing long-term institutional capital to support its growth within the parts distribution industry. These commitments will enhance the Company’s ability to acquire complementary companies, expand distribution capabilities, and augment product lines across North America.

Metronome worked with management to prepare offering materials, facilitate investor meetings, assist with investor due diligence, and evaluate and negotiate proposed terms.

Bob Burke, Chairman and CEO, commented, “Metronome’s commitment to this process was incredible and far exceeded all expectations. The Metronome team was fully engaged and available 24/7. Their advice, guidance, and experience produced a terrific outcome.”
