Metronome Partners, LLC (“Metronome”) served as the exclusive financial advisor to Worldwide Steel Buildings (“WWS” or the “Company”) in its sale to Lineage Capital (“Lineage”). WWS is a leading provider of pre-engineered custom steel buildings throughout the US. Metronome worked closely with the shareholders and management team to identify a partner that aligned with shareholders’ needs and best fit the Company’s culture and long-term growth objectives.

Joe and his team did a great job and made sure we understood every step of the process. I could not have asked for a smoother transition. We are extremely pleased with this successful outcome and partnership with Lineage. We look forward to continuing to grow and scale our business throughout the US.”
